4. Masses of **Cacti/succulents + 3 window-sill holders with mixed sets of 3 mini cacti** – great for kids.

5. **Shrubs:**

- 11x **Hydrangeas** either blue mop-head or pinky-purple lace-cap. (See photo for mop-head parent. Lace-cap parent should be beginning to flower by the drive). * Please phone if interested & I'll happily dig up from the garden for you, or extract from a planter. Heights range from wee to about 2 foot, currently.
- 1 x **Cistus 'Silver Pink'** Rock Rose H 2-3 ft. Grey-green leaves, pale pink flowers.
- Tree Peony **Paeonia ludlowii (Ludlow's Tree Peony)** I believe. Yellow flowers. H to 3.5m

6. **Trees**

- Likely two tall, **red-barked rhododendron trees**, Cream or pink flowering, with cinnamon indumentum (fuzzy leaf undersides). Possibly a smaller red-flowered tree. See photo of 7 year old parent.
- 1 x **Pittosporum** probably '**Tenuifolium Anderson'** (evergreen) a fresh green grows to 25ft

7. **Vegetable plants**

- Red '**OutREDgeous'** lettuce. (The first vegetable grown and eaten in space.)
- 5 ready to plant out **Pumpkins**.
- Various varieties of **Kale** (A winter staple).

8. **Herbs**

- Mostly **Chives**
- **Mint**
- **Oregano or Marjoram** (I'm not sure which)
- **Sage**

9. **Houseplants**

- **Begonia Rex (likely)** Leaves large, very dark green 'glow' in sun, with wine-red undersides. Small pink flowers. House or sheltered outdoor plant. Quite large.
- **Wine-leaved variety of London Pride (?)**, white flowering. Conservatory plant or outdoor in summer.
- **Peace lily**
